Program Quality Learning Series Social Media Kit

Thank you for helping us spread the word about our Program Quality Learning Series, which will introduce our Program Quality Roadmap! Below, you will find social media copy and graphics for the Learning Series.

How to Use:
- Pick the post(s) you'd like to use from those featured below and copy and paste them to your social media platform. Please download the social media graphics by clicking on the Google Drive links below.
- If you don't already, please give us a follow and retweet our posts about the series:
  - Twitter: @rootcause
  - LinkedIn: Root Cause
- Note: If you share on Facebook or Instagram, you can use whichever copy you'd prefer, but we don't have accounts on those platforms, so you won't be able to tag us with @rootcause. Please replace @rootcause with Root Cause.
